EXTENSION FOR CERTIFICATION

We encourage anyone to send in any stamp for certification bought from us but, due to the high costs of certification, paperwork and time involved this is our policy.

Steve Malack must be notified prior to submission and an extension form must be on file with Steve Malack. All items must be paid for in full. All items with an approved form will have a 90 day extension, after 90 days all sales are final.

Items can be submitted to APS, PF, PSE, and PSAG.

We do not allow any refunds or costs for items: not making a certain grade, encapsulated, or items with a photo clearly showing any faults. No opinion is not grounds for return. We do not refund any postage or insurance costs.

If for some reason the item is deemed other than described we will refund, the full purchase price and standard certificate costs, for items over \$250.00. Items under \$250.00 will only be refunded the purchase price.

ANY QUESTIONS, please contact us!
